	Advanced Cardiac Life Support (ACLS) and Basic Life Support (BLS)	
Work Experience:	Physician Assistant <i>The Heart Center, Gainesville, GA</i>	2017-2020
	• Worked in the field of cardiology at one of the leading cardiac hospitals in Georgia	
	• Experience navigating the healthcare landscape, particularly in underserved patient populations with limited access to healthcare	
	• Job duties:	
	○ Admitting, discharging, rounding, and consulting on cardiac patients in the hospital and clinic setting	
	○ Collaborating with a team of physicians, APPs, nurses, case management, and administrative staff to coordinate high quality, evidence-based patient care	
	○ Educating patients on their medical conditions and engaging them in their treatment plan	
	○ Coordinating patient care over multiple subspecialty areas	
	• Transferable skills include leadership skills, ability to work well and towards a common goal with a multidisciplinary team, knowledge of multiple EMRs, passion for service to others, administrative skills, time management, and a strong work ethic	
	Medical Assistant <i>Ankle and Foot Centers of GA, Peachtree City, GA</i>	7/14-12/14
Volunteer Experience:	• Performed direct patient care in an outpatient and surgical setting	
	• Increased office productivity and streamlined delivery of quality patient care by implementing time-saving policies among the medical assistants, improving office efficiency, and use of EMR	
	Student Physician Assistant <i>South Georgia Farmworker Health Project</i>	6/16
	• Participated in public health service project consisting of a multidisciplinary collaboration of healthcare providers and students with the goal to provide free healthcare to migrant farmworkers	
	Medical Assistant <i>Fayette Care Clinic, Fayette, GA</i>	12/12-7/14
References:	• Performed direct patient care and worked with a diverse team to overcome the many challenges of providing high-quality healthcare to the uninsured population	
	Available upon request
